Eligibility/Grade Check Requirements

*All members that are home schooled must complete a home school verification form. If you are in a non-accredited program, you must attach a composite grade-level academic proficiency from a recognized achievement test or other mechanism as provided for in State or National Board of Education rules. Here are two options for testing; https://www.academicexcellence.com/complete-achievement-tests/ or for 6th-8th grade, https://hewittlearning.org/pass-test/

*All members must be enrolled in any home school program by SEPTEMBER 23 of the current year and be able to show progress.

*A progress report **MUST** state student's name, date printed, classes in progress, current grade and percentage of work completed to show progress from one report to another!

* You may submit your progress report two days prior to the due date. No earlier!

*For students enrolled in public/private schools, you will follow the below grade check dates. The progress report **MUST** state student's name, date printed, classes in progress and current grades.

*If deadline is **NOT** met on the dates provided, you will **NOT** participate in the next entered rodeo.

*Fail to comply with three eligibility checks; you will be disqualified to enter Nevada State High School and Junior High Rodeo for 2026-2027.

*Eligibility checks due on Monday after the rodeo can be done at that rodeo unless posted differently.

*If you are NOT participating in rodeos within the Eligibility/Grade check dates you are not required to submit progress reports.
